

Click the 'Settings' icon

The screenshot shows a web browser window with the address bar displaying <https://wicapp.3sigmasoftware.com/inwic/fir>. The browser's address bar and tabs are visible at the top. The main content area features a banner for "INDIANA'S WIC INFORMATION SYSTEM" with the "INWIC" logo and a photograph of a woman holding a baby. Below the banner, there is a navigation menu on the left with links for "CLINIC", "ADMIN", "STATE OFFICE", and "VENDOR". A small text box on the left mentions PDF files and Adobe Acrobat Reader. At the bottom of the page, there is a disclaimer: "Use of this system is authorized only to registered Indiana WIC Program users and limited for approved WIC business purposes. Unauthorized access is prohibited. Anyone knowingly or intentionally accessing State of Indiana or U.S. government information resources without authorization faces termination of employment or contract, prosecution where applicable, and fines/imprisonment if found guilty. All system activities may be recorded/monitored."

In the dropdown, click 'Compatibility View settings'

The screenshot shows a browser dropdown menu with the following items: "Print", "File", "Zoom (100%)", "Safety", "Add site to Start menu", "View downloads Ctrl+J", "Manage add-ons", "F12 Developer Tools", "Go to pinned sites", "Compatibility View settings" (highlighted with a red box), "Report website problems", "Internet options", and "About Internet Explorer".

Make sure 'in.gov' is NOT in the list. If it is, select it and click the remove button

Make sure 'Display intranet sites in Compatibility View' is unchecked
